Collie FHS Society Objectives

(1) To promote, encourage and foster the study, science and knowledge of genealogy, family history and allied fields.

(2) To establish and maintain a reference library of printed, photographic, digital media and other works related to genealogy, family history and allied fields.

(3) To print, reproduce, publish, distribute and circulate or cause to be printed, reproduced, published, distributed and circulated, any written, photographic and digital material, which the society considers desirable.

(4) To prepare, record and establish indexed , digital, printed or other sources of reference material related to genealogy, family history and allied fields.

(5) To preserve, record and acquire pedigrees, family records and other genealogy material.

(6) To convene, hold, regulate and conduct meetings for the purpose of furthering all or any objects of the Society.

(7) To liaise, co-operate, associate and reciprocate with other associations, societies or bodies - whether incorporated or not, either within or outside Australia, and having objects wholly or in part similar to the objects of this Society.
