

The FHWA Family Tree Maker (FTM) User Group is open to all FHWA members, whether users of the FTM genealogy software program or not.

Members of the public are able to attend meetings, but are encouraged to become a member of FHWA.

The group was officially recognised by FamilyHistoryWA as a Special Interest Group by the FHWA Management Committee held on 28 October 2019.

The FTM User Group also has a FaceBook group <https://www.facebook.com/groups/PerthFTM/>. This is where most of our members gather and exchange tips and tricks, and is our primary means of communication. However, we also maintain a mailing list and if you wish to have your name added to that list please send a request to ftm.sig@fhwa.org.au
