Meetings

The FTM User Group hold monthly meetings online and this will continue until the current COVID-19 restrictions are lifted. At that time we will consider holding some meetings at FamilyHistoryWA premises at 48 May St, Bayswater, but will also continue to hold online meetings as well.

The User Group also offer an introductory course for those who want to know about FTM and those who are just starting to use FTM.

You can find a list of all our upcoming meetings and book for the next one using the [TryBookin](#)

g

system.
