## **Newsletters**

In 1992 the Irish Group decided that the people in the country and city people unable to come to the WAGS library regularly, may appreciate more information in the form of a newsletter. The first quarterly newsletter was published in February 1993. Newsletters are now sent all over Australia, New Zealand, England, Ireland and America. Until recent years this cost \$10 a year. **The fee is currently suspended.**

**Make sure you provide your contact details clearly so you can receive a copy!**

We really welcome your contributions. Your success story, brickwall, photo or information may help others. To submit an item - long or short - please contact Newsletter Editors Elissa and Maureen via [irish.sig@fhwa.org.au](mailto:irish.sig@fhwa.org.au)

Previous editions of the WAGS Irish SIG Newsletter are available to download below (in PDF Format)
