

<< WAGS London South England & Wales Forum

We meet every three months, usually on the third Saturday of March, June, September and December, from 11am to 1pm, at WAGS Unit 4/48 May Street, Bayswater. At each meeting one or two of our members leads a short discussion on a specific topic. As well, we spend time looking at successes, problems and queries. We're a self-help group, aiming to improve our general knowledge about London, the south of England, and all of Wales, as well as solving members' problems. Between 25 and 40 members attend each quarterly meeting.

All WAGS members are welcome to come along to our meetings and join our mailing list. A gold coin donation at the meeting helps to build up funds to purchase additional resources for the library. Maybe we'll see you at one of our meetings soon.
