

The rules governing FHWA are now known as the "Model Rules and Guidance Notes" abbreviated to the "Rules of Association" or the "Rules". The Rules are complemented with By-laws to make a complete set of laws governing WAGS.

The new Rules of Association and By-laws were formally adopted by special resolution passed unanimously at a Special General Meeting of the Society held at FHWA, unit 4, 48 May Street Bayswater, on 29 July 2018. The Commissioner for Consumer Protection has advised that the new Rules had been lodged effective 6 August 2018.

The By-laws were amended (1.6) and two new By-laws adopted by resolution at the AGM held on 30 June 2019.
