

Tracing your family tree - Uncovering Family Secrets

Image ex SLWA 022080PD

Tracing your family tree is a popular pastime, but it doesn't always go to plan.

[WAGS](#) President Ian Simon joined Chris Ilesley in the 6PR studio on 26 July 2016 to chat about [upcoming events for National Family History Month](#) and some of the weird, wonderful and scandalous things which can be uncovered with a little research.

Well worth listening to this wide ranging interview with Ian.

Thanks to [6PR Perth](#) for making this soundbite available for us to share on the WAGS website - podcasts below...
