Workshops

Wednesday, 18 January 2017 21:28 - Last Updated Friday, 28 July 2017 18:02

WAGS archivist Diane Foster will illustrate why we need to choose the correct materials for preservation of precious documents. A show and tell will advise what products are suitable for a variety of documents to enhance preservation. This will be an interactive session and some material may be available for purchase. Participants are welcome to bring along an item for advice about what products may be useful for storage.
