

Graffiti on the Cheops Pyramid?

Is there a Graffiti Artist among the soldiers on the pyramid?

We don't know, but one of the men is standing next to what looks like fresh graffiti initials carved into the pyramid stone. Did he do it?

Grid Row H thumbnails are now available on the FHWA 11th Battalion website.

Did he do it?

Grid Row H soldiers thumbnails are now available, [go here to the 11th Battalion website](#)
