

## **Murder and mayhem - this time it's personal**

**Western Ancestor - September 2018 Issue 159 Vol 14 No. 03**

The murder mystery surrounding the Murrays of Lewis leads this edition. And yes, it is our editor Mike Murray whose family is central to the story set in the far northern reaches of Scotland. The September Western Ancestor ranges from the ancient roots of primogeniture to today's wills and inheritance laws, the mid-twentieth century practices of closed adoption to today's open policies.
