

The South of the River house group meets in Willetton on the 1st Wednesday of every month except January.

New members are always welcome- no special commitment necessary,

Join a great group of family historians who are interested in researching their family, plus uncovering mysteries and overcoming brick walls along the way.

Check the South of the River [House Group](#) page for further information.

We produce 'Of Interest' documents that are relevant to family history - breaking news, free databases, opinion....every month a new page is attached to a meeting reminder.

I'll catch up on some of these to show that we have been busy since 2015!

Hoping to see you in 2020

Best wishes,

Louise
