Lost Souls - Irish SIG's Demand

Great opportunity for those lost souls in Ireland to be found at the WAGS Irish SIG meeting on Sunday 20 October. Bring out your dead - to the Irish research meeting, 14:00, Unit 4 , WAGS Bayswater. Click here for - [WAGS Irish SIG information pages](#)

This is a research meeting so bring along all the information you have about your Irish ancestors and someone will be on hand to give you a hand, if needed. Not to do it for you, to point you in the right direction. The fun is in the discovery, so doing it for you would rob you of so much pleasure.

We cannot stress enough how important it is to bring as much information as possible. *Sean Murphy born 1800 something in Ireland* is not enough!!

Always start backwards from what you do know - in Australia if necessary - eg arrived in Hobart, March 1842 on the "ship"

Short meeting will precede the research session. For further information please contact the [Irish SIG convenor](#)
