Meetings

Meetings are held quarterly in the Resource Centre at May St, Bayswater from 2:00 to 5:00 pm on Sundays - usually the fourth Sunday of February, May, August, and November. Every meeting has a focus topic and sometimes a member or speaker will provide background information. There is always a problem solving session, so please feel free to bring along your queries and we'll try to provide some light at the end of the tunnel!

Please note that all upcoming quarterly meetings will be online through Google Meet until the Society deems the situation safe for us to meet at May Street.

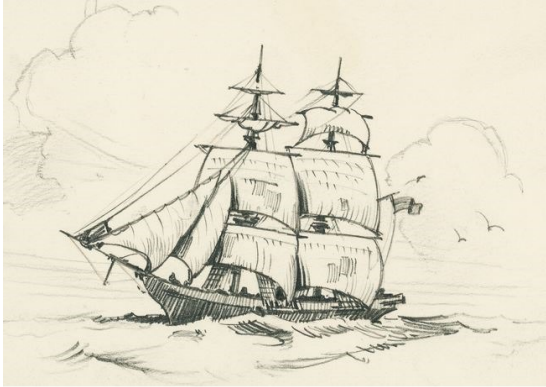

Meeting dates for 2021 are:

Sunday 28 February 2pm, research day in Units 5 and 6 or online

Sunday 23 May 2pm Unit 4 or online
