

We meet every three months, usually on the third Saturday of February, May, August and November, from 1:30pm to 4:30pm, at FHWA Unit 4/48 May Street, Bayswater.

We are a self-help group, aiming to improve our general knowledge about things military and to help members navigate the minefield of military research. We will also spend time looking at successes, problems and queries.

All FHWA members are welcome to come along to our meetings and join our mailing list. A gold coin donation at the meeting helps to build up funds to purchase additional resources for the library or our projects. Maybe we'll see you at one of our meetings soon.
