

## London South England & Wales Forum

We meet every three months, usually on the third Saturday of March, June, September and December, from 11am to 1pm, at WAGS Unit 4/48 May Street, Bayswater. At each meeting one or two of our members leads a short discussion on a specific topic. As well, we spend time looking at successes, problems and queries. We're a self-help group, aiming to improve our general knowledge about London, the South of England, and all of Wales, as well as solving members' problems. Between 25 and 40 members attend each quarterly meeting.

All WAGS members are welcome to come along to our meetings and join our mailing list. A gold coin donation at the meeting helps to build up funds to purchase additional resources for the library. Maybe we'll see you at one of our meetings soon.

**A Brave Royalist Widow in the English Civil War**

In the first meeting for our new committee, Peter Hamersley will give a presentation featuring his 9 times great aunt in the 17<sup>th</sup> Century, entitled "Elizabeth Colchester (Hamersley), a brave Royalist widow in the English Civil War".

There will be plenty of time for discussion of YOUR issues - successes, queries, observations, problems. You can be assured of an attentive and sympathetic audience. They may even be able to help you!

Look forward to seeing you on Saturday morning!
