

We run a series of FREE informal lunchtime talks and guided discussions on various topics. You do not need to book to attend - just bring your lunch and come along (tea and coffee provided). All are welcome.

These sessions are led by experienced FHWA members and mainly concentrate on informing you about how to get the most out of your membership, and hints and tips on how and where to research.

**When: 12.00 - 1.30pm on the 2nd Monday of most months.**

**Where: at FHWA - Unit 4, 48 May St, Bayswater**
