

The Institutional class of membership of FamilyHistoryWA. formerly known as Associate Membership, is open to any organisation, or other body interested in the objects of the society. The name change was implement in July 2018. Institutional Members are represented in the Society by a representative who shall be entitled to the same privileges as an Ordinary Member except they cannot move or second motions, vote or hold office.

This type of membership also entitles access to the FHWA website Members Only sections to the nominated representative of the organisation.

FHWA Institutional Members web pages are available via links in the menu items, or the footer menus below.
