

Family History Centres of the Church of Jesus Christ of Latter Day Saints (LDS)

There are seven (7) LDS Centres located the in Perth Metropolitan area and South West WA; Albany; **Dianella; Greenmount West; Merriwa, Rockingham, Southern River and Warwick.** Addresses and opening times are as below. Note these change from time to time, so always check before you visit. You can find a centre near you at FamilySearch.org

For FHWA Members

As an affiliated library FHWA members can view a select collection of LDS microfilms can be viewed at the May St Library. Many of these are now online at FamilySearch.org [Find a Family History Center](#)

Online FHS records can also be viewed at the FHWA Library.

A list of the LDS films that are currently available in the FHWA Library is available to members [here](#) (log in to view). These are also included in the FHWA library [Catalogue](#)

Holdings at LDS Family History Centres

All LDS Family History Centres have Microfilm and Microfiche available, some of which are readily available within the Centres.

The LDS records cover:

US and Canada Records; British Records; International Records and Special Collections - these include:

International Genealogical Index (IGI) and Family Search
1881 (A-Z) and 1891 Census
GRO Births (England and Wales)

and many more

For further details of films available search the [FamilySearch](#) web site.
