

## OUT NOW! YOUR JUNE WESTERN ANCESTOR

## Volume 14 no 10

*Special notice: Our AGM is coming up on June 28 at 2pm. Details are included in the Western Ancestor and [here on the website](#), with a link to register for your attendance.*

Much to keep you reading during the cold, wet days.

There's FHWA in the time of pandemics: much paddling underwater to make plain sailing in these unusual times. Our volunteers talk frankly of the journey to bring all of the services and activities of the society to members online.

And we go Back to basics: A story of modes of transport in times gone by in the second episode of Castilla of the 'Works', the absorbing tale by Robert Atkins.
