

Raffle Progress report

We are two weeks into the processing of raffle book butts returns and we have gotten off to a cracking start with over 300 book butts returned already.

Robyn, Del, Thea and Robert will spend every Tuesday morning until the final draw date in November at WAGS opening envelopes, checking the Butt numbers and putting the ticket butts into the barrel ready for the Early Bird Seller's Draw on October 12 and the final draw for the prizes on November 29.

All book allocations as recorded in the Members Register have now been sent out. Apologies for the late mail out this week to those Members who were inadvertently left out of the first mail out.

Any Member who thinks they should have books, or wants books and has not received them by Friday you can email [FHWA Secretary](#) with your name, membership number, address and the number of books you would like to receive.
