

## From Foundlings to Fremantle and much more

The June 2018 edition of the journal of the Western Australian Genealogical Society is out, and now, if you are a WAGS member you can read it online.

As usual, the journal is packed with fascinating stories of families found, and a special feature Fremantle Fortress, about the role played by Rottnest in the defence of the Port of Fremantle during WWII.

Members can browse or download the electronic copy in the [Member's Only Section \(you will have to log in\) of this website under the Journal 2018 menu item.](#)

The electronic version is copyright and exclusive to WAGS members.
