Join the [Irish SIG Forum](#) and post a query or share your latest find. This can be seen by anyone in the world, so giving names, dates and places of your Irish ancestors might help you link up with others researching the same name or place. 2019 meetings: Sundays 19 January 2pm, 19 April 10am, 19 July 2pm and 18 October 2pm

The group meet every three months at the WA Genealogical Society, 48 May Street Bayswater, in January, April, July and October.

We discuss how to do Irish family history research from many angles. Meetings also feature speakers and workshops. Once again our October meeting will be devoted to personal research in the WAGS Library and Resource Centre or our 'BrickWall' Forum in the FHWA meeting room to help members and visitors re-ignite their research with ideas coming out of this discussion group. To aid the discussion we have a [Questionnaire](#) which can be downloaded here. Bring along the completed form with as much as is known of your 'Brick Wall' to get the most out of the day.

Next Meeting - have a look at WAGS events calendar by clicking on the Events tab above. [FH WA Event Listing](#) and look for the Trybooking Irish Group Icon.
